

U.R is an environmentally considered table system that is flexible and versatile, and provides for a complete “family” of table product options. The family of products allows the specifier continuity of design throughout any commercial environment.

- . Boardrooms
- . Meeting Rooms
- . Training Rooms

u.r Table System
 carbon neutral

u.r

U.R can accommodate tables and desks with a variety of top depths and to an infinite length. Large boardroom tables can be produced using the u.r multi leg configuration. By adding frame spacers, additional legs and feet, the possibilities with u.r are endless.

Table Options, Fixed and Folding

u.r folding tables provide a tilt-top stacking table for workspaces that demand flexibility. Suitable for boardrooms, training rooms, temporary desking, and offices that require constant reconfiguration. The folding table is fitted with a lockable soft tread castor and are supplied with table linking mechanisms as a standard feature.

Pedestal Table Bases

Folding Table Options

U.R can accommodate tables and desks with a variety of top depths and to an infinite length. Large boardroom tables can be produced using the u.r multi leg configuration. By adding frame spacers, additional legs and feet, the possibilities with u.r are endless.
